

## MERIDIAN TOUCH-FREE ICE & WATER DISPENSERS

*Maximum Reliability*  
*Zero Physical Contact*

Scotsman's Meridian Series allows for zero physical contact to dispense ice or water. The use of infrared technology senses the start and duration of dispensing, eliminating the need to touch any buttons, levers, lids or ice scoops.

### **TOUCH-FREE DISPENSING**

Touch-free ice and water sensors help provide a sanitary operation.

### **ANTIMICROBIAL PROTECTION**

Built-in AglON<sup>®</sup> components help inhibit the growth of undesirable microbes, bacteria, mold and algae.
