

# SCOTSMAN PRODIGY PLUS®

## KEY BENEFITS

### ENERGY EFFICIENCY

- ▶ Save on utility bills - Up to \$500 back/year
- ▶ Rebate eligible - Up to \$500 back
- ▶ 2011 Energy Star Product Design Award
- ▶ 2012 Energy Star Partner of the Year Award
- ▶ 2013 Energy Star Partner of the Year Award

### OPTIONAL ULTRASONIC ICE LEVEL CONTROL

- ▶ Adjust ice levels to meet demand
- ▶ Saves \$100's on water and energy
- ▶ Fresh ice in bin
- ▶ Works on all bins and dispensers - Competitive units have limited functionality

### ADVANCED CONTROLS

- ▶ Saves \$100's on service
- ▶ More intuitive indicator lights
- ▶ Provides highly visible warning, preventing costly downtime
- ▶ Easy diagnosis, minimizing service costs
- ▶ Competitor display only readable when directly in front of unit

### OPTIONAL ADVANCED FEATURE BOARD NETWORK COMMUNICATIONS

- ▶ Communicates help with troubleshooting, preventative maintenance
- ▶ 2-way Ethernet communications - Limited functionality with competitors
- ▶ Ability to interface with other systems for remote monitoring; NAFEM Data Protocol Compliant

### EASY TO CLEAN AND SERVICE

- ▶ New "one touch" cleaning process is easy and saves time; reducing cleaning costs
- ▶ Key components are accessible and serviced from the front
- ▶ Convenient QR code for instant model information including: model and serial number, parts and service manuals, instructions and warranty information and history
- ▶ Front air flow allows for minimum side clearance and fast cleaning of air filter

### AUTOMATIC VARIABLE WATER PURGE

- ▶ Saves \$100's on cleaning or water bills
- ▶ Extends time between cleanings
- ▶ Minimizes water use under good conditions
- ▶ Constantly monitors and adjusts water usage based on current water conditions
- ▶ Reduces energy usage by using pre-chilled water

# SCOTSMAN MERIDIAN™ SERIES

## ICE & WATER DISPENSERS

# KEY BENEFITS

**meridian** 

### ENHANCED RELIABILITY

- ▶ Greaseless bearing; no wear parts
- ▶ Enlarged sink drain to prevent plugging
- ▶ Industry leading 3 year warranty; 5 year parts on condenser and compressor

### EASY TO CLEAN

- ▶ External removable air filter for easy cleaning and better performance
- ▶ Removable storage bin
- ▶ Removable sink, grill and spouts
- ▶ Agion antimicrobial helps inhibit growth of bacteria and microorganisms

### EASY TO SERVICE

- ▶ Convenient QR code for model specific information, manuals and warranty information
- ▶ Front access to major components
- ▶ Intuitive diagnostic display for accurate servicing, minimizes service time and cost
- ▶ Exclusive USB port allows for software upgrades to ensure maximum performance

### EASE OF OPERATION

- ▶ H2 Nugget Ice; easy to dispense; softest ice in the category
- ▶ Large dispensing envelope allows for use of assortment of cups and bottles
- ▶ Small footprint allows for easy placement

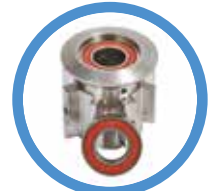

### ENERGY EFFICIENCY

- ▶ Save on utility bills
- ▶ Best in class energy efficiency
- ▶ Qualifies for CEE Tier 2; rebate eligible in some states
- ▶ Meets new 2018 DOE Federal energy regulations

### QUIET OPERATION

- ▶ Improved condenser and fan design
- ▶ Enhanced patient and employee experience

Proprietary Greaseless Bearing
